

JOIN THE SAILING CENTER CHESAPEAKE SUMMER RACE TEAM!

For those interested in our Racing Intensive Clinic, this is the next step to increasing your competition experience! If you want a chance to use the boats you trained in on a Bay-wide racing circuit against other junior racers, SCC has a perfect opportunity for you. Throughout July and August, an SCC race team (perhaps including YOU) will travel to events up and down the Chesapeake Bay, following the schedule below.

July 1 st :	Annapolis regatta
July 2 nd :	Annapolis regatta
July 9 th -10 th :	Gibson Island practice day and regatta
July 11 th :	Baltimore County regatta
July 16 th -18 th :	Lewes DE practice day and Junior Olympic Festival
July 20 th :	Irvington VA regatta
July 23 rd -25 th :	Oxford practice day and MD state championship regatta
July 30 th :	Galesville regatta
July 31 st :	Pasadena regatta

Race team members are not required to attend every regatta; in fact, you may choose your own schedule throughout the summer! Fees are collected per regatta and vary based on the number of sailors traveling with us. The more sailors we have at an event, the lower the individual fee will be. To claim your spot at any given regatta, turn in the combined regatta registration form with your \$50 nonrefundable deposit PER regatta by May 1st. Full payment is required no later than two weeks prior to each regatta. Financial aid scholarships are available; contact the SoMD Sailing Foundation treasurer at treasurer@somdsailing.org. Fees will vary based on the length of the trip and the number of sailors, so get your teammates involved!
